Enhance your Reputation. Grow your Practice.

Get access to and network with top CPG decision-makers and position your company or firm as a leader at the premier legal event for the CPG industry.

What is the CPG Legal Forum?

A can't-miss event designed for legal professionals working for companies whose products consumers depend on every day. Curated by industry experts, senior legal professionals and general counsels working for companies, the program empowers attendees to solve problems and inspire collaboration with a network of peers experiencing similar challenges.

Top in-house counsel, law firms and regulatory experts focus on an array of important and timely legal issues with an emphasis on managing litigation risk, complying with government regulations and tackling business and enterprise legal issues.
