

Missouri

In the Show Me State, the consumer packaged goods (CPG) industry isn't just a sector—it's an economic juggernaut.

This powerhouse supports a staggering **534,770 jobs**, powers the economy with **\$30.5 billion in wages** and injects **\$55.2 billion into Missouri's economic lifeblood**.

However, the CPG industry's impact reverberates far beyond data points and balance sheets. From your toothpaste to your tea and your cleaners to your cereal, CPG products are part of Americans' daily lives.

Zoom out to the national scale, and the picture becomes even more impressive. The makers of America's most trusted household brands support **22.3 million jobs—10.5% of the nation's total employment**. That's more than one in ten American workers whose livelihoods are intertwined with this vital industry.

From coast to coast, the CPG industry is a driving force of American prosperity, weaving its impact into the very fabric of our nation.
